1 During the pre-independence period only a few selected games were known to people in general. Some sportspersons changed this situation. This enhanced the status of both – the sports, and the sportsperson. For example, Geet Sethi achieved a global excellence in snooker, a variation of billiards. He won the national championship of billiards for teenagers at the age of 15. Later, he went on to win national and international championship. At the global level, he won the amateur billiards competition thrice, and the professional one five times. His success made the game popular, and newspapers began to report news about billiards. Thus he made a new field available to rising sportspersons in India.

It was in 1983, that the Indian team won the World Cup for cricket, under the captainship of Kapil Dev. It was a historic victory. Cricket instantly won great popularity across the country. In the same year, Sunil Gavaskar broken the earlier record of maximum centuries in test cricket. In 1985, India won the 'Benson and Hedges's World Championship of cricket. As a result, cricket came to be played in all States to a lesser or greater extent, but at the cost of indigenous Indian games. A few movies were also produced around the theme of cricket. Live telecast of the full five days or one day of the matches also became available.

1) At what age did Geet Sethi won the National Championship of billiards for teenagers ?

1

2) Under whose captainship did India win the World Cup for cricket in 1983 ?

1
